

Information on 2020 Iron Beagle Challenge Champion (IBCC) point system.

Participant team must be entered in at least 3 of the 4 sports designated for this year's National Specialty to be under consideration for IBCC. Only National Specialty events are counted for IBCC.

Interested parties are encouraged to email Amanda Stipe @ houndess@gmail.com prior to the National Specialty. Due to Covid-19 restrictions, we'd like participants to assist us this year. An application will be available for you to help us. All application pages must be submitted to Amanda Stipe @ houndess@gmail.com or in person to Deb Krier or Amanda no later than Monday 1 hour after Agility trial is over. You may send pages prior to Monday's deadline (see individual application pages for further information).

Point System: No points are awarded for absences.

1 Participation Point (PP) is earned if you run in a class, whether you qualify or not. Maximums apply to "PP" too.

Additional bonus points are awarded if you qualify. These points are weighted due to difficulty and level. See chart below.

Obedience	5	1PP+ 4= 5			
Rally	7	1PP+6= 7			
Agility Trial 1	19.5		3PP+(0+8+8.5)= 19.5		
			3 classes		
Agility Trial 2	0			0 classes run	
Scent Work Day 1	10		4PP+ (1.5*4)= 10		
			4 class maximum		
Scent Work Day 2	n/c			4PP+ (0+1.5+1.5+2.5)= 9.5	
				lesser of 2 day's points	
Agility Trial 3	9				1PP+8= 9
					4 class maximum

n/c is not counted -as this day's 4 highest points are less than the previous day. Same would apply in agility if both days were scored.
