

Information on 2020 Iron Beagle Challenge Champion (IBCC) point system.

Participant team must be entered in at least 2 of the 4 sports and/or Hunt Test designated for this year's National Specialty to be under consideration for IBCC. Only National Specialty events are counted for IBCC. One of your two sports must be from Agility, Obedience, or Rally Obedience.

Interested parties are encouraged to email Amanda Stipe @ houndess@gmail.com prior to the National Specialty. An application will be available for you to use, and/or we hope to have a Google doc. available as well. All application pages or scores must be submitted to Amanda Stipe @ houndess@gmail.com or in person to Deb Krier or Amanda no later than Tuesday, 1 hour after Scent Work trial. Or, if the Google doc. Is available, scores must be entered by 1 hour after the last sport concludes. You may send pages or enter scores any time prior to the conclusion of the final sport class.

Point System: No points are awarded for absences. 1 Participation Point (PP) is earned if you run in a class, whether you qualify or not. Maximums apply to "PP" too.

Additional bonus points are awarded if you qualify. These points are weighted due to difficulty and level. See chart below.
