DOGS ELIGIBLE TO ENTER

This test is open to all dogs FOUR (4) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP).

Only beagles are eligible to participate.

There are no height restrictions for the Hunting Performance Test. Oversize (over 15") beagles may participate.

Spayed/neutered dogs are eligible to participate.

Females in season may participate; however, females in season will be cast in the last pack(s) of the day. Females in season may be required to run both Test #1 and Test #2 at the end of the day.

No dog shall participate if it is sutured, bandaged, or wounded such that, in the opinion of the judge, the dog cannot safely complete the hunt.

ENTRY INFORMATION

An individual dog may be pre-entered once per Test. If time permits, additional Day of Test entries will be accepted. As this is the pilot Hunting Performance Test, ALL pre-entries will be made at the Instinct level.

Handlers may request to be packed with dogs with similar hunting speed and style, if known.

Handlers may request specific packmates. All handlers and packmates must be present at the time of request and all handlers must agree to run together.

MOVE-UPS

Same day move-ups will be accepted. Move-ups between days WILL be accepted.

A move-up may be requested if, according to the owner's records, the handler and dog are eligible and the dog has completed the qualifications of all prerequisite levels. A move-down may be requested if the owner mistakenly entered the dog in a higher level class for which it is not eligible. A lateral transfer may be requested to move between Advanced Solo/Brace and Advanced Pack.

The request for a class transfer must be submitted in writing to the Event Secretary by the end of the previous day or at least 30 minutes prior to the start each test.

CONFLICTS

A conflict is defined as entry or active participation in another NBC event being held as part of the 2022 NBC National Specialty Show. This may include agility, Junior Showmanship Showcase, Top 20 Showcase, etc.

The test committee will make reasonable attempts to accommodate handlers/dogs with a conflict. Agility participants will be given priority in the pack running order and may complete Test #1 runs in the afternoon or Test #2 runs in the morning if necessary. If you have a conflict, please check the "Conflict" box on the entry form and work with the test committee to ensure you have the best opportunity to participate in all the great events we are having this year!

WAIT LIST INFORMATION

The National Beagle Club is offering a wait list to fill openings created by withdrawn entries after the test's closing date/time. A maximum of **50 entries per day** will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Test Secretary prior to 6:00pm **Sunday, September 18th, 2022**. No entries may be withdrawn with a refund after closing on September 18th, 2022. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the test will receive a full refund.

STAGING AREA, HANDLER'S BRIEFING, AND RUNNING CONDITIONS

The Staging Area will be located north of the parking area, at the enclosure gate. Handler's briefings will be held at 7am each day and 30 minutes prior to the start of Test #2 each day. Attendance at handler's briefings is encouraged but not required.

Hunting Performance Tests are conducted outdoors, therefore handlers should be prepared for all potential weather conditions. Handlers should understand that packs will be run rain or shine, unless dangerous conditions are present (such as lightning or flooding). Comfortable footwear and water-resistant clothing are recommended. Brush/briar-proof clothing is ideal.

Each dog in a pack will wear a collar with an identifying color. Collars will be provided by the test committee. Shock collars are not allowed. Integrated GPS/shock collars may be used so long as the shock feature is turned off and the stimulation prongs are removed. GPS collars will be provided by Hunt Test Committee for all running dogs as a precaution against any dog breaching the enclosure fence.

At the Advanced level, hounds will be fired over using a blank pistol. Pistol will be fired at a minimum of 20 yards away from the running dogs.

Judges are not required to wait for dogs. The owner of each dog is solely responsible for having it ready at the staging area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the staging area when required.

CLASSES AND JUDGING ASSIGNMENTS

Classes will be judged jointly by two judges per class. If necessary due to entry numbers, availability, and ring conflicts with agility, judges may be split to individually judge separate packs.

Instinct, Novice, Advanced Solo/Brace, and Advanced Small Pack classes will be offered at all four tests. As this is the pilot Hunting Performance Test, ALL pre-entries will be made at the Instinct level; move-ups will be accepted as dogs pass Instinct.

LEVEL 1 – HUNTING BEAGLE INSTINCT (HBI)

The Hunting Beagle Instinct level tests the hounds for basic instinctual behaviors characteristic of a rabbit hound. These behaviors must distinguish the dog as a rabbit hound as opposed to being a simple display of generic canine prey drive. Although the behaviors are essentially instinctual, it should not be assumed that a dog can pass level 1 without any prior experience.

Dogs will be cast in braces or trios. To earn a passing score, dogs must receive a total score of at least 10 points across the four scoring categories (search, desire, handling, and scent indication).

LEVEL 2 – HUNTING BEAGLE NOVICE (HBN)

The Hunting Beagle Novice level tests the hounds for intermediate hunting abilities that could be expected from a newly started dog or puppy with the potential to progress to the skills of a viable hunting companion. Desirable traits should be present but not necessarily refined. Display of assets is worth more at this level than an absence of faults, although the balance of faults and assets contribute to the overall score in each scoring category.

Dogs will be cast in braces or trios. If the judge determines that the pack needs assistance for any reason after some length of time, the gallery may assist in getting a rabbit up. To earn a passing score, dogs must receive a total score of at least 14 points with a score of 2 or higher in each of the five scoring categories (search, pack work, check work, line control, and voice).

LEVEL 3 – HUNTING BEAGLE ADVANCED (HBA)

The Hunting Beagle Advanced certifies a dog as being a viable hunting companion. A dog can pass level 3 without being field trial quality; level 3 simply represents a dog that could be enjoyably and effectively hunted over. There are two parts to Level 3 certification: the solo or brace, and the small pack.

Solo or brace: Dogs will be cast either solo or in a brace with one other dog. If a brace is used, neither dog can already have obtained the level 3 title or have earned points at an AKC licensed beagle field trial. To pass solo or brace, a dog must obtain a total score of 13 or more points with at least 3 points in each of four categories (search, check work, line control, and voice).

Small pack: Dogs will be cast in packs of 4-6 hounds. If an insufficient number of dogs are entered in level 3 to form a small pack, experienced hounds (as defined in Section 1 of the rules) may be used to fill the pack. To pass small pack, a dog must obtain a total score of 17 points with at least 3 points in each of five categories (search, pack work, check work, line control, and voice). Additionally, a blank pistol will be fired over the pack while dogs are actively pursuing a rabbit to test for gun shyness. Gun shyness is a single pass or fail item separate from the five scoring categories.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this test, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform in a hunt safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the test committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The National Beagle Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. Any dogs not currently running must be on leash at all times. Retractable leashes may not be used in the enclosure or staging area. Dogs must enter and exit the hunting area with the leash securely attached to the collar or harness, including when waiting in the staging area before and after the hunt.

REFUNDS

No entry fees will be refunded if the test cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Test Committee. Dogs pulled after closing because of injury or other medical condition are eligible for a full refund with a note from the attending veterinarian.

Bitches in season may be refunded the full entry fee if the handler chooses to withdraw the bitch. Notification in writing must be given to the test secretary no later than one half hour prior to the start of the first class of the day of the test.

Claims will be arbitrated as set forth on the Official NBC Entry Form for this event.
