Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular dogs may not be entered in this height if their measurement is 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

MEASURING and HEIGHT CARD INFORMATION

All agility dogs are required to have an Official Jump Height Card/Valid yellow form and exhibitors must be able to present it prior to running their dog(s) in any class or at any time during the trial upon request. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

DOG ELIGIBLE TO ENTER

All dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Dogs of an AKC-registrable breed that have been granted a Purebred Alternative Listing/Indefinite Listing Privilege (PAL/ILP) may participate providing their PAL/ILP number has been listed on the entry form (refer to Chapter 2 of the *Rules Applying to Registration and Discipline* for the listing of registrable breeds that may participate). Dogs of a registrable breed with an acceptable foreign registration number are eligible to participate subject to Chapter 11, Section 1, of the *Rules Applying to Dog Shows*. Dogs eligible for entry in the Miscellaneous Class at dog shows and dogs of Foundation Stock Service recorded breeds that meet the eligibility requirements for competition are eligible to participate provided their AKC identification number appears on the entry form. Dogs that have been listed with AKC Canine Partners, that have been spayed or neutered, may participate providing their listing number has been listed on the entry form. Dogs disfigured as the result of accident or injury but otherwise qualified shall be eligible provided that the disfigurement does not interfere with functional movement. Dogs should be physically sound. Dogs that are blind shall not be eligible. Blind means without useful vision. No dog shall compete if it is taped or bandaged or in any way has anything attached to it for medical purposes. Spayed bitches and neutered males are eligible to participate. Bitches in season shall not be eligible to participate. Entry fees for bitches in season will be refunded per AKC Rules and Regulations. See refund section below. No dog may participate more than once in any type of class (Standard Class, Jumpers With Weaves Class, FAST Class, etc.) offered by a club per day. If eligible, dogs may participate in additional non-regular classes. Puppies under four months of age are strictly prohibited from the trial grounds.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on field turf surface. Ring size will be 80' x 100'.

Wait List: after the 350 limit of runs is reached, a wait list of up to 50 runs will be created. Withdrawals of entrants may be replaced by a waitlisted entry up to Saturday, October 24, 2026 at noon.

COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving the dog.

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The The National Beagle Club of America and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The The National Beagle Club of America reserves the right to decline entries for cause and may

remove any dog on account of aggression. No one shall have any recourse or claim against the The National Beagle Club of America or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. No Refunds for overpayments of \$10 or less.

Bitches in season are not permitted to compete in Agility Trials. As such, the club will refund entry fee minus \$5 processing fee per day for bitches unable to compete for this reason upon presentation of a veterinarian certificate or acknowledgement to the Trial Chair no later than 30 minutes prior to the start of judging on either trial day.

Injured/ill dogs will be issued a refund minus a \$5 processing fee/ day with a veterinary certification.

RINGSIDE

Dogs may arrive any time prior to judging, if they have a valid jump height card. Otherwise, they must be available for measuring prior to the start of their class. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**FOR EXHIBITION ONLY (FEO) IS BEING OFFERED
IN ALL CLASSES AT THESE TRIALS**

FEO Changes per AKC Regulations starting August 1, 2024:

ENTERING FOR EXHIBITION ONLY (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s), and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. **Day of show jump height changes are not allowed.**
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. **Day of show level changes are not allowed.**
- The exhibitor must declare FEO in the ring to the scribe and the judge, prior to leading out.

Class Changes Effective January 1, 2020:

**Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend
– Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Other Changes Effective January 1, 2020:

For Exhibition Only (FEO) may be offered at the option of the host club.

- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 800. 656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler Number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

AGREEMENT

I certify that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event, and any additional rules and regulations appearing in the premium list of this event and entry form and any decision made in accord with them. I (we) agree that the club holding this event has the right to refuse this entry for cause which the club shall deem sufficient. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win prizes, ribbons, or trophies, I (we) agree to hold the AKC, the event-giving club, their members, directors, governors, officers, agents, superintendents or event secretary and the owner and/or lessor of the premises and any provider of services that are necessary to hold this event and any employees or volunteers of the aforementioned parties, and any AKC approved judge, judging at this event, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or about the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim for loss, injury or damage to this dog.

Additionally, I (we) hereby assume the sole responsibility for and agree to indemnify, defend and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting therefrom, sustained by any person or persons, including myself (ourselves), or on account of damage to property, arising out of or in consequence of my (our) participation in this event, however such, injuries, death or property damage may be caused, and whether or not the same may have been caused or may be alleged to have been caused by the negligence of the aforementioned parties or any of their employees, agents, or any other person. I (WE) AGREE THAT ANY CAUSE OF ACTION, CONTROVERSY OR CLAIM ARISING OUT OF OR RELATED TO THE ENTRY, EXHIBITION OR ATTENDANCE AT THE EVENT BETWEEN THE AKC AND THE EVENT-GIVING CLUB (UNLESS OTHERWISE STATED IN THIS PREMIUM LIST) AND MYSELF (OURSELVES) OR AS TO THE CONSTRUCTION, INTERPRETATION AND EFFECT OF THIS AGREEMENT SHALL BE SETTLED BY ARBITRATION PURSUANT TO THE APPLICABLE RULES OF THE AMERICAN ARBITRATION ASSOCIATION. HOWEVER, PRIOR TO ARBITRATION ALL APPLICABLE AKC BYLAWS, RULES, REGULATIONS AND PROCEDURES MUST FIRST BE FOLLOWED AS SET FORTH IN THE AKC CHARTER AND BYLAWS, RULES, REGULATIONS, PUBLISHED POLICIES AND GUIDELINES.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler Number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
